EC-CERTIFICATE OF CONFORMITY

1488 - CPD – 0003

In compliance the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

STEEL LIGHTING COLUMNS

circular and octagonal columns, characteristic during vehicle impact (passive safety):
class 0, used at construction and modernization of roads, streets, squares, parks e.t.c.

placed on the market by

VALMONT Polska Spółka z o.o.
ul. Terespolska 12, 08-110 Siedlce, Polska

and produced in the factory

VALMONT Polska Spółka z o.o.
ul. Terespolska 12, 08-110 Siedlce, Polska

is submitted by the manufacturer to a factory production control *and to the further testing of samples taken at the factory in accordance with a prescribed test plan* and that the notified body - *Instytut Techniki Budowlanej* - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

PN-EN 40-5:2004

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 01. 02. 2005 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
