Registration is governed by the *Registration Scheme: Suppliers and Products for Bridges and Other Structures*. Adherence to this document and the relevant technical specifications is required at all times.

The following conditions apply:

1. "Inactive" suppliers may tender on projects, however an audit by Structures Construction Materials is required on commencement of supply.
2. For scope marked "project-specific", supplier **must** contact Structures Construction Materials to confirm workshop capacity prior to tendering.
3. Registration is relevant for the listed products only, to the specifications noted only.
4. Registration does not indicate approval or endorsement of proprietary designs.
5. Registration may be withdrawn or otherwise amended, **check** the latest registered supplier list for any changes.
