Recreational RoadMarker™

Withstands highway-speed vehicle impacts

The three-rail design of the Carsonite RoadMarker provides both flexibility and structural integrity. Two ribs on the side protect sheeting from vehicle impacts, while the back rib gives added strength for driving into hard soil.

### How to Order:

**CRM 3**

- **Product number**
- **072**
- **01**
- **Length (in.)**
- **See chart for availability by color.**
