

Diva², when generous curves flow.

The Diva² range owes its silhouette to the curves of the 70's and the figure-hugging mermaid dresses of the era.

The slimness at its base heightens the generous shapes halfway up and invites the eyes to take a stroll. This roundness is the only eccentric element of this mast, which elsewhere plays on utter simplicity. This clean design confers a sophisticated character, simple and timeless.

100% Aluminium range, incorporating 30% Recycled Aluminium.

Aluminium 6060T5.
