Carsonite Original Post

Highly flexible post for youth events or areas where a forgiving barrier is needed.

Carsonite FlexRod® Post

Semi-flexible post for adult events, crowd control and work zones.

Carsonite Hi-Impact Post

Offers 360-degree flexibility for both youth and adult events. Requires a Magnetic Locking Ground Sleeve for installation.

Ground Sleeves for FlexRod Posts remain in the ground and allow easy insertion and removal of fence posts. Ideal for applications where the fence will be taken down and put back up frequently.

Magnetic Locking Ground Sleeve

For use with FlexRod® and Hi-Impact Posts.

Special Locking Pin locks into the Magnetic Locking Ground Sleeve to reduce vandalism and tampering.

Rectangular Ground Sleeve

For use with Carsonite's Original Post. A cap excludes dirt and moisture when the sleeve is not in use.
